*******FINANCIAL AID TIP FOR THIS WEEK*******

Remember to complete your **2012/2013 FAFSA, (*Free Application for Federal Student Aid*)**, as soon after January 1, 2012 as possible. This will insure that we can begin to properly process your financial aid file for the Fall 2012; Spring 2013 school year. Most of you who completed a FAFSA for this current year will be able to complete the renewal application. Please share this important information with your parents if applicable.
