### Gadget Sidebar

The Gadget Sidebar is a vertical bar that runs down the right side of your phone. It contains quick launch icons for one-touch access to the most commonly-used phone applications and features. The Gadget Sidebar may contain the icons illustrated in the table below.

<table>
<thead>
<tr>
<th>Application/Icon</th>
<th>Function</th>
</tr>
</thead>
<tbody>
<tr>
<td>Call History</td>
<td>Use the Call History application to display lists of the calls that you have missed, made, and answered. This feature allows you to filter the call records and display information on each call in the list.</td>
</tr>
<tr>
<td>Voice Mail</td>
<td>Use the Voice Mail application to login and logout of voicemail boxes, and review messages.</td>
</tr>
<tr>
<td>People</td>
<td>Use the People application to add, delete and edit contact names and numbers. You can also dial anyone on your contact list from the People application. The People window displays up to eight contacts per page, ordered alphabetically by last name.</td>
</tr>
<tr>
<td>Call Forwarding</td>
<td>Use the Call Forwarding application to enable or disable Call Forwarding Always, and to view and modify default Call Forwarding settings.</td>
</tr>
<tr>
<td>Backlight</td>
<td>Turns the backlight off.</td>
</tr>
<tr>
<td>Help</td>
<td>Displays Help on the 5360 IP Phone.</td>
</tr>
<tr>
<td>Phone/Home</td>
<td>Returns the display to the main menu.</td>
</tr>
</tbody>
</table>
