

The 3M COMPANY SCHOLARSHIPS 2018-2019 ACADEMIC YEAR

A Global, Diversified Technology Company

3M is fundamentally a science-based company. 3M produces thousands of imaginative products, and we're a leader in scores of markets – from health care and highway safety to office products and optical films for LCD displays. 3M's success begins with the ability to apply technologies – often in combination – to an endless array of real-world customer needs. Of course, all of this is made possible by the people of 3M and their singular commitment to make life easier and better for people around the world.

The 3M Company, Decatur, AL is offering scholarships to students currently enrolled at Alabama A&M University.
