Federal Student Aid, an office of the U.S. Department of Education, ensures that all eligible individuals can benefit from federally funded financial assistance for education beyond high school.

Federal Student Aid plays a central and essential role in supporting postsecondary education by providing money for college to eligible students and families. There is a partnership with postsecondary schools, financial institutions and others to deliver services that help students and families who are paying for college.

To expedite processing of your information, complete the FAFSA as of January 1, 2012. The deadline for priority consideration is March 15, 2012. You must have your

2011 tax documents available to complete the FAFSA. When the FAFSA is complete, it will be valid for the 2012-2013 school year.

Alabama A&M University The History of AAMU

Reflecting its heritage as a traditional 1890 land-grant institution, Alabama A&M University (AAMU) functions as a teaching, research, and public service institution with a strong commitment to academic excellence. The serene, intimate campus is situated on "The Hill", only a short distance from downtown Huntsville, the site of the school's founder.

Huntsville Normal School was founded in 1875 by a former slave, William Hooper

Councill in downtown Huntsville. This school eventually transformed into the great Alabama A&M University that we know and love today.

LAQUETIA HOLLIS' MOTIVATION

“Procrastination on your part,
does not constitute an emergency
on my part.”

-T. Eric Green

DEVILED EGGS

Ingredients:

- 1 dozen eggs
- 2 teaspoons Dijon mustard
- 1/3 cup mayonnaise
- ¼ cup sweet relish
- Salt and pepper
- Paprika

Method:

Boil the eggs. Fill a large saucepan half-way with water and gently add the eggs. Cover the eggs with at least an inch of water. Add a teaspoon of vinegar to the water (this will help contain egg whites from leaking out if any of the shells crack while cooking). Add a pinch of salt to the water. Bring the water to a boil. Drain hot water from pan and run cold water over the eggs. Let sit in the cool water a few minutes, changing the water if necessary to keep it cool. Peel the eggs. Using a sharp knife, slice each egg in half, lengthwise. Gently remove the yolk halves and place in a small mixing bowl. Arrange the egg white halves on a serving platter. Using a fork, mash up the yolks and add mustard, mayonnaise, sweet relish, and a sprinkling of salt and pepper. Spoon egg yolk mixture into the egg white halves. Sprinkle with paprika.
