Re: Teacher Work Sample

During your 20 days of fulltime teaching you are to complete the following teacher work sample and include in your electronic portfolio (as a summary of your analysis):

- 1) Select a lesson or unit to teach in a specific content area.
- 2) Administer a pretest (quantitative with a scale of 10 or multiples of 10)
- 3) Teach the lesson
- 4) Administer a posttest (the same test as the pretest)
- 5) Analyze the results
- 6) Write a reflective summary. Describe the impact your instruction made on student learning. Include graphs and/or charts.
- 7) Include a copy of the pretest, lesson plan, and posttest.
