## APPLICATION PROCESS

### STATEMENT PURPOSE

Please attach an essay in which you describe how your training, education, and desire to participate in the research experience for undergraduates (REU) summer internship program will help you work toward your academic and/or career goals. You may also include a statement on how overcoming significant educational, social, or economic disadvantage or adversity would enable you to contribute to the program. Your essay should not exceed 2 double-spaced pages in length.

### RESEARCH

Please review the list of faculty mentors and areas of research listed on our website

(<http://www.aamu.edu/saes/ESWSP/REU/home.aspx>) and indicate which would be your top choices for an REU internship.

### REFERENCES

Please provide your choice of two references including their email addresses and phone numbers.

**Deadline for receipt of this application, copy of an official transcript, and a list of references is due **March 26, 2010** at the web address listed above.**

**An NSF Research Experiences for Undergraduates Site**
