

Date: Feb. 26, 2021

To whom it may concern,

I serve as an Assessment Coordinator of the MS Computer Science Program. Throughout the three-year period of interest (2017-18 to 2019-20) student learning outcomes assessment data were collected CS-521, CS-531 and CS-561. All three courses were offered in both face-to-face and online modes during this cycle.

CS-521 was offered in both face-to-face and online modes during the Fall 2017, 2018 and 2019 semesters. CS_531 was offered in both face-to-face and online modes during the Fall 2017 and 2018 semesters. CS-561 was offered in both face-to-face and online modes during the Spring 2019 semester.

Disaggregated data for face-to-face and online sections by term and class have been provided to the Office of Institutional Planning, Research and Effectiveness.

Sincerely Yours,

Dr. Joel Fu
Professor and Interim Chair
Department of Electrical Engineering and Computer Science
