

North Alabama
AG EXPO
Growing Together—Urban & Traditional Agriculture

Dear Friend and Champion of Agriculture,

Agriculture is the backbone of our communities. The men and women who rise before dawn to cultivate, harvest, and innovate deserve our deepest admiration and strongest support. Their dedication feeds families, drives economies, and sustains the very fabric of our society.

That is why we are **thrilled** to announce that **Alabama A&M University (AAMU)** and our valued partners will host the **3rd Annual North Alabama Ag Expo** on **Saturday, November 14, 2026, from 10:00 a.m. to 3:00 p.m.** This exciting, FREE family-friendly event will be held at AAMU's Agribition Center, 4925 Moores Mill Road, Huntsville, Alabama 35811.

Our Mission: What the Ag Expo Will Achieve

The North Alabama Ag Expo is designed to make a lasting impact across the region:

- ◆ **Showcase the Latest in Agriculture** — Featuring cutting-edge research, innovative technology, modern equipment, and essential resources that are shaping the future of farming.
- ◆ **Inspire the Next Generation** — Igniting passion for agricultural careers and entrepreneurial businesses among students, young professionals, and community members.
- ◆ **Build Powerful Partnerships** — Strengthening ties between urban, suburban, and rural agricultural businesses and communities to drive economic growth and collaboration.

Our vision is bold: to make the North Alabama Ag Expo **one of the premier agricultural events in the entire state of Alabama.** Year by year, we are building a legacy that honors our agricultural heritage while forging the path forward.

We warmly invite you to be a vital part of this movement **as a Sponsor, Exhibitor, or Vendor.** Your participation directly fuels the growth of agriculture in our region and demonstrates your commitment to the communities we all serve. To get involved, please complete the appropriate **Sponsor-Vendor or Exhibitor forms** included with this letter.

Important Deadline: All sponsorship fees are tax-deductible and must be submitted by **September 30, 2026**, to meet printing deadlines.

Together, we have the opportunity to celebrate, elevate, and transform agriculture in North Alabama. We hope to count you among our partners for this landmark event, and we look forward to welcoming you to the Expo!

With excitement and gratitude,

North Alabama Ag Expo Planning Committee, Alabama A&M University
