

## Dear Friend:

As our understanding of agriculture deepens, so does our appreciation for the dedicated men and women who rise early each day to sustain our communities in the field of agriculture across this great state and nation. To inspire the next generation of agricultural workers and leaders, Alabama A&M University (AAMU) and valued partners will host the third North Alabama Ag Expo on Saturday, November 14, 2026, from 10:00 a.m. to 3:00 p.m. This free, family-friendly event will take place at AAMU's Agribition Center, located at 4925 Moores Mill Road, Huntsville, Alabama 35811.

### The objectives of the North Alabama Ag Expo are to:

- Showcase the latest agricultural products and services, including research, technology, equipment, and other resources.
- Foster greater interest in agricultural careers and businesses.
- Develop partnerships that strengthen urban, suburban, and rural agricultural businesses and communities.

Our goal is to make the North Alabama Ag Expo a premier agricultural event in the state. We hope you will join us by becoming a sponsor, exhibitor, or vendor. If interested, please complete the appropriate Sponsor-Vendor or Exhibitor forms.

All sponsorship fees are tax-deductible and must be submitted by Friday, October 2, 2026, to meet printing deadlines.

For additional information, please contact me at [agexpo@aamu.edu](mailto:agexpo@aamu.edu) or call (256) 541-0291.

Sincerely,

*Marcus Garner*

Marcus Garner, Event Chair  
North Alabama Ag Expo Committee
