Applying for Post OPT
Step One

Submit an OPT Application Cover/Post Completion Form and the I-765 Application to your designated DSO. You will be informed when your I-20s for post completion OPT are ready.

- The start date of post completion OPT for fall/spring completion must fall in your 60-day grace period (e.g. if your fall completion date is December 16, 2020, then you may select any date in the following range of December 17th through February 13, 2021).

- You can apply to post completion OPT no earlier than 90 days before your completion date and is the earliest that your I-20s for post completion OPT can be issued (e.g. if your spring completion date is April 30, 2021, then you may select any date in the following range of September 17, 2020 through December 16, 2020).
Step Two

Receive and sign your I-20s from your DSO and assemble your application packet to USCIS.

Keep a copy of each part of the application for your file and send the application via certified mail so you can see the date it gets to USCIS.

What happens after I send my OPT application to USCIS?

• No edits can be made to the request

• Receive your I-797C (receipt notice) within a few weeks
  • Check accuracy of spelling of name, date of birth, and that the receipt number SRC for tracking works on the USCIS website https://egov.uscis.gov/cris/Dashboard/CaseStatus.do.
  • It is your responsibility to contact the Customer Service number if any information is incorrect.
Filing Tips from USCIS

• If you make an error, please start over with a clean form. DO NOT use highlighters or correction fluid/tape
• Sign the I-765 in black ink. DO NOT TYPE YOUR SIGNATURE!!
• Per USCIS instructions: All questions should be answered unless otherwise stated in the Form I-765 instructions.
• For questions that do not apply to you:
  • Alphabetical answer: Put “N/A”
  • Numerical answer: Put “None”
• Submit COPIES unless original documents requested
• USCIS prefers single sided copies
• Submit ALL pages of Form I-765
• DO NOT USE STAPLES. Use paper clips or binder clips instead.
When should USCIS receive OPT application?

- No earlier than 90 days before program end date on OPT I-20
- No later than 60 days after program end date
Please Note!!!

- USCIS processing of EAD is 90-150 calendar days from receipt of Form I-765. You should file as soon as graduation date has been determined.

- Effective October 2, 2020, Form I-765 was updated. Be sure to complete the correct edition.
If you are denied....

• ...and you are still within the 60 day grace period you can re-apply
• ...and you are outside your grace period, you will need to leave the US by the date provided by USCIS in the denial letter
If you receive an RFE/NOID

- RFE = Request For Evidence
- NOID = Notice of Intent to Deny
- USCIS wants more evidence about something. This is the importance of keeping copies of everything you send.
• USCIS will mail you an approval notice (I-797A) and an Employment Authorization Card (EAD)
• Review the card to ensure all information is accurate and check the start and end dates of your card
• Submit a copy to your DSO and begin reporting your employment information in the SEVIS portal.
  • Per immigration regulations, detailed information about employment must be reported once the start date on your card begins: employment (or unemployment), living address, any change of status.
  • During post-completion OPT, F-1 maintenance of status is dependent upon employment
OPT Employment Requirements

• Must work 20 hours or more per week
• Job must be a position directly related to your course of study
• Job may be paid or unpaid
• Job cannot be a student worker or graduate assistant position, but can be on campus
Federal Requirement While on OPT

• Provide DSO with a copy of your EAD card as soon as it is received
• Report employment within 10 days of any change via the SEVP portal
• Update your student address with DSO within 10 days of moving
• After 90 days of no employment being reported, your SEVIS record will auto terminate.
Remember.....

• It is YOUR responsibility to ensure you submit all documents required for OPT approval in a timely manner.

• It is NOT your DSO’s responsibility to complete this process for you.
