**Addendum III**

1. Sign-in sheet for pre-bid meeting. See websites for sign-in sheet.
2. Under Scope of Work (Grounds) Page 23/76 Floral Paintings should be changed to Floral Plantings.
3. Question: Please clarify the scope of work for grounds maintenance. Routine mowing is not mentioned directly. We assume since acreage is provided, routine mowing is expected, but it's not directly mentioned so we want to get full clarity on the expectations.

Answer: Under Scope of Work (Grounds) Page 23/76 Turf Care is Level 1 and reads as follows:  
The contractor shall maintain grass height according to species and variety of grass. Mowing at least once every five-working days but may be as often as once every three-working day during

the months of June thru October. Aeration as required, but not less than four times per year. Reseeding or sodding as needed. Weed control to be practiced so that no more than one (1) percent of the surface has weeds present.
