### RFP# 02-2020

#### Addendum 4

Legal Issue- the following needs added

- Section 10.9, Page 19: Contractor should not be liable to indemnify Customer for any claim or liability as specified in this Section. **This is contractual language and can be negotiated with the successful awarded vendor before entering into a contract.**
- Section 10.3, Page 18 and 19): Contractor should be given a cure period of at least thirty (30) days to cure Contractor's breach. Further, Contractor should be allowed to terminate the Contract upon Customer's breach after Customer has the opportunity to cure that breach within a certain number of days. **This is contractual language and can be negotiated with the successful awarded vendor before entering into a contract.**
- Can this be deleted?- Section 3.0, Page 11: Customers' right to terminate for convenience should be deleted .(Also, refer to Section 2.0, Page 15) **This section shall not be deleted.**

Questions regarding items:

- The use of intelligent tracking systems- can you elaborate what you are looking for? **It is the responsibility of the Vendor to provide as part of the proposal a waste management system.**

- Can Vendor provide GPS tracking of our trucks in the response of a possible missed pick up- is this sufficient? **It is the responsibility of the Vendor to meet the intent of this RFP to the best of their ability.**
- Acceptable Waste:  
Paper, food waste, plastic, construction, etc.
- Unacceptable Waste:  
Bio-Hazard, asbestos, etc.
- Recyclables, you must list cardboard only as recycle service. **Cardboard will not be a recyclable service.**
- How are you wanting the weights of weekly pick ups reported? **It is the responsibility of the Vendor to meet the intent of this RFP to the best of their ability.**
- Is October 1 still the proposed start date considering bid was extended? **No**
- When will decision be made on vendor? **Based on current Covid-19 situations the start date is to be determined approximately 90 days after the RFP is received.**
