Personal Statement

Please discuss your future education and career goals, expectation of the scholarship program, and how all are related to topics in food, agriculture and environmental sciences (You can attach a statement).

Scholarships will be awarded based on the availability of funds. If selected and awarded, the CALNS 1890 scholarship will cover full tuition and fees (and room and board for students on a full scholarship).

Note: While a student might be awarded a Full scholarship or a Tuition and Fees scholarship, the funds received from the CALNS 1890 scholarship are determined by the balance on the official student account related to tuition and fees (plus room & board if on a full scholarship). If any other scholarship or aid posts on the student account under these covered categories and reduces the account balance, the CALNS 1890 scholarship will only cover the remaining balance.
