

2015-2016 Child Support Paid Verification Form

Your 2015-2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you (and your parents, if you are a dependent student) reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You (and at least one parent, if you are a dependent student) must complete and sign this worksheet and submit the form and other required documents to IDOC College Board Processing Center. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

Print your name and Student ID number in ink on all documents; please do not leave any questions blank. *Allow 2-4 weeks for processing after all documents are submitted.* Periodically check your Banner Self-Service account for an award letter or status update.
