<b>Frequently Asked Questions:</b>	
What do I submit?	Submission form + applicable document Master's Research Report Action Report Thesis Dissertation
Can I submit it myself?	No! Your academic must submit your document to verify that your subject matter and content meet department approval.
When should my advisor submit my document?	Your advisor may submit as soon as your content has been approved.
How long does the review process take?	That depends on you and may vary. You may meet with your faculty reviewer up to, but no more than, twice a week. Plan for the process to take approximately four (4) weeks. (this only serves as a rough estimate)
