1. Do I need my meal card to enter Cafeteria?

Yes. That policy is in place to verify your participation in the meal plan and also it allows us to capture the number of students served per meal period.

2. What is the limitation for swiping my meal card daily in the cafeteria?

You can only swipe your card 3 times per day. (Once per meal period)

3. Do Dining Dollars roll over to next semester?

Yes. Your balance will roll over from the Fall to Spring semester but will not roll over from the Spring to Summer semester or the Summer to Fall semester.

Note: Any Dining Dollars balances in May, will be forfeited.

4. What locations can I use my meal card and Dining Dollars?

Meal cards can only be used in residential dining locations and dining dollars can be used in all locations, residential and retail.

5. What if my meal card is lost and/or stolen?

You must report your lost card immediately to the **Debit Card Office** located at Patton Hall.

Note: There is a \$60 **replacement fee** that will be added to your student account.
