How To Select Your Room

**Step 1:** If you are eligible to select a room, you will see your Room Selection Process under the Room Selection Section. A date in red means that your time is active and you can select. Click on Select a Room/Suite.
**Step 2:** You can filter on the Hall you want to live in. Please keep in mind, that some of our halls are gender specific. If you click on a hall and there are no results, it is either the hall if filled or your gender does not match the criteria for that hall. You can also just click on FIND AVAILABLE ROOMS. Our system will only show you rooms that your gender can select from.
