- Pre-register for Spring 2022 classes
- Pay \$250 deposit (should already be on file before registration opens)
- Have a 2021-2022 FASFA on-file (International students are not required to have a FASFA)

Special requests will not be considered. Special requests include the following:

Completing the application and paying the \$100 non-refundable fee makes you eligible to be added to the waitlist. Which means, you are not guaranteed to receive a room assignment. Step 2: Click on the Banner Self-Service box.

Step 3: Click on the Student tab and locate the Housing Application link. Click on the Housing Application link, you will be directed to the housing portal.

Step 4: Look for the housing application on the self-service home page of the housing portal under "2022 Housing Process". **Returning Students Fall 22 Wait List.**

Step 5: Read and sign your housing agreement, and update your personal information. Upon completing this section, you will be directed to a third-party payment site to pay your \$100 application fee. Once you complete the payment, follow the prompts that will redirect you back to the home page of the housing portal.

Step 6: To view your waitlist information, on the right side of the home screen, click on the "Room Selection Process" area, then click on "Wait list". **Make sure you add yourself to the Wait List.** Once done, the information listed will confirm you are on the Wait List.

Once **Step 5** is completed, housing will assign rooms daily based on the student's application timestamp. We will continue to make assignments until available rooms have been filled.

Congratulations! You have completed the housing waitlist registration process. If you experience issues, make sure you have met all of the housing criteria before e-mailing housing@aamu.edu.
