

March 4, 2022

Dear Fellow Bulldog,

Congratulations! By signing up for the YMTF Mentorship Program you have taken a very important step that will forever transform your life! We hope the holistic YMTF program experience was beneficial to you and allowed you to gain important life and career lessons for your promising future.

We have received your mentee profile form along with your mentor selection preferences. You have now been matched with a YMTF mentor. You should expect to receive an email from your mentor by April 4, 2022 to establish a time and format for your first meeting. During the meeting, you will both complete the YMTF Mentoring Agreement that will thoroughly highlight the guidelines of the program.

There will be an additional meeting with all mentees during the summer to ensure everyone is on track. If you have any additional questions, concerns, or if you do not hear from your mentor, please email Dr. Melanie Crutchfield Whitten at MCrutchfield09@gmail.com for further assistance.

We are excited about the “menteeship” you are about to embark upon and look forward to witnessing how far you will go!

Sincerely,

Melanie Crutchfield Whitten

Sylvester C. Johnson
